AIRP

Alliance of Independent Regional Publishers

www.anri.org.ru
AIRP unites independent regional media in Russia, including new media – online, TV and radio, content producers.

AIRP mission:

“uniting regional press in Russia in order to make it a key institution of civil society, coordinating efforts to promote freedom of speech in the country, exchanging experience and protecting interests of media organizations”.
“If you are in charge of all your obligations, if your outlets – websites, TV and radio stations, newspapers and magazines, - are not supported by officials or oligarchs, if you produce your own quality media, - than we are interested in you”...

A quote from the updated mission of the Alliance of independent Regional Publishers
